

ANNOUNCEMENT

The Public Institution National park Galicica informs all inhabitants of Ohrid, also visitors, that 19.07 2011, Wednesday, the decision of the coordinative body for preservation of forest during fire at the Government of Republic of Macedonia will be put into effect, for partial prohibition of movement throughout the park or regulate movement.

That means that everyone who would pass through the boundaries of the park will have to get suitable permission from the direction for residency or visit of the park. These approvals will be released in the direction and for all the information needed can call the number 046/261473.

The direction of the park appeals to the citizens to respect the introduced partial prohibition for limited movement through the forest. Pursuant Law of forestry, the fine for physical persons, who will violate the prohibition, or be overtaken moving through the forest without the necessary permission from the park, will amount 2-3 thousand euros.

Also, we remind the landholders that it is prohibited to fire the stubbles. According to the Law for hunting, the fine for firing the stubbles, weed and other vegetative waste, amounts from 6-8 thousand euro for juridical persons and from 1.5-3 thousand euro for physical persons. Except the fines for the violation, the responsible person will have to compensate for the damage.
